

## Feel the Vibe at Vineyard Vibes - April 26

Spring is almost here, and that means it's nearly time for one of Harvest House's most joyful community gatherings of the year—**Vineyard Vibes!**

On **Sunday, April 26, from 3:00–7:00 PM**, friends of Harvest House will gather at **Lost Oak Winery** for an afternoon of great music, community, and purpose. This family-friendly outdoor concert brings our community together to celebrate the work happening every day through Harvest House's mission to **Feed • Clothe • Restore**.

Guests will enjoy live performances from three outstanding local artists:

Vendors will be set-up for food and shopping, and **Lost Oak Winery will have wine available for purchase**, making it the perfect place to relax with friends while supporting neighbors in need.

**Tickets are just \$25**, and every ticket helps Harvest House continue providing food, clothing, financial assistance, and life-changing programs like *Getting Ahead* for families working toward stability and restoration.

We are especially grateful to **H-E-B**, our **Title Sponsor**, whose generous support helps make this event possible.

**P.S.** Tickets are limited and this event continues to grow each year. If you're planning to come, we recommend purchasing your tickets soon so you don't miss out!

## Businesses: Join Us as a Sponsor

Vineyard Vibes is also a great opportunity for local businesses to support the community while gaining meaningful visibility.

Sponsorships help underwrite the event so that more of the proceeds directly support Harvest House programs serving families across Johnson and southern Tarrant counties.

**Helping Here.**

If your business would like to stand alongside H-E-B and other community partners in supporting Harvest House, we would love to talk with you about sponsorship opportunities.

## **Staff Spotlight: Jacinda**

Meet Jacinda, a hardworking single mom of two boys who brings heart and dedication to our resale shop every day. Originally from Burseson, she spent some time living in San Antonio before returning back home.

Jacinda first heard about us through the workforce. When she was offered a position at the resale shop, she knew it was the best fit for her situation — and it's been a blessing ever since.

She currently works in the back of the house, where her main role is sorting clothes. However, Jacinda is always eager to learn new tasks and grow within the organization.

After five months on the team, she's already made a meaningful impact.

When asked about her favorite part of working here, Jacinda shares:

"It feels like a big family, and everyone is very welcoming."

Coming back into the workforce after being a stay-at-home mom for four years wasn't easy, but this opportunity has helped her rebuild more than just her career.

"It has helped me get back on my feet again and regain my confidence."

One of the biggest lessons she's learned during her time here?

"That I'm not alone."

For anyone considering applying, Jacinda has this to say:

"It's a very good place to come and work. Everyone is welcoming, and there's nothing but positive experiences."

We are so proud of Jacinda's growth and grateful to have her as part of our team.
