NORTH TEXAS
GIVING DAY™

This Giving Day is for Y'all!

The longhorn may have caught your eye, but the message is meant for all y'all—neighbors, friends, businesses, churches, and everyone who believes local families deserve hope and a path forward.

Through September 17, your North Texas Giving Day gift to Harvest House will help feed, clothe, and restore families facing hardship in our community. And this year, every dollar in goes all out: generous sponsors are covering transaction and technology fees, so 100% of your online donation will come directly to Harvest House.

Visit NorthTexasGivingDay.org, search for Harvest House, and join North Texas in showing what we can accomplish when we come together. Donate and do good, y'all!

I want to do good!
